History

Macedonia became an associated member of the International Ice Hockey Federation on October 4th, 2001. Macedonia played their first game on 27 March 2011 against Red Star Sofia of Bulgaria in Skopje. Macedonia went on to lose the game 1–4. In December 2014 Macedonia played two exhibition games against the Bulgarian under-20 national ice hockey team in Skopje. They lost the first game 5-6 in overtime and won the second 4-3 following a shootout, recording the team's first ever win. On January 20th, 2018 Macedonia played their first official game against Bosnia & Herzegovina and won the game (8-7).
